 Complete the text with verbs in the past simple

When AIDS (*come*) _____ along in the early 1980s, the gay rights movement (*be*) _____ well under way. It (*be*) _____ born, symbolically at least, in June, 1969, when police (*conduct*) conducted a routine raid on a New York bar called Stonewall. Angered by the harassment, members of the gay community (*take*) took _____ to the streets in what (*come*) _____ to be known as the Stonewall riots.

When AIDS (*strike*) struck _____, priorities (*change*) _____, and quickly, from hedonism to survival. And, ironically, the advent of AIDS probably (*advance*) advanced _____ gay rights more than anything else in history.

"HIV-AIDS (*change*) changed _____ public perceptions a lot: It (*show*) showed _____ a more humane side of the community," says Ed Jackson, director of program development at Canadian AIDS Treatment Information Exchange, and a longtime activist. "It also (*galvanize*) galvanized _____ gay men into being more active and more visible. It (*bring*) brought _____ people out of the closet."

Mr. Jackson (*say*) said _____ the large number of HIV-positive men, and the often-overlooked contributions of many lesbian women who (*care*) cared _____ for the sick, (*force*) forced _____ members of the gay community to interact with the system, instead of living on the margins. In fact, many of the early battles that (*mobilize*) mobilized _____ the community (*be*) were _____ about seemingly mundane¹ issues such as the right to visit partners in hospital (people (*be*) were _____ refused access because they (*be*) were _____ not considered immediate family, even if they (*be*) were _____ in long-term relationships), taking time off to be with loved ones who (*be*) were _____ sick and dying and claiming insurance benefits.

Gay rights (*come*) _____ incrementally² as these battles (*be*) were _____ waged before administrative tribunals and the courts and, in the process, gay and lesbian couples (*become*) _____ more mainstream. "We (*go*) _____ from being marginalized as sick people to being normalized," Mr. Jackson says. "Along the way, a lot of desires (*become*) _____ mainstreamed; we (*want*) _____ to be like everybody else, which is why you (*see*) _____ a push for things like gay marriage."

"We (*choose*) _____ the straight path, if you will," he adds with a smile.

The Globe and Mail, Aug. 15, 2014

¹mundane: ordinary, uninteresting

²incrementally: step by step, progressively
